### **JOINING THE ENTEBBE FAMILY FRUITS MODEL:**

**What is the Entebbe Family Fruits Model? This a colonial administrators scheme that was introduced in Entebbe between 1952-1962, where every household had to plant fruit trees in their Compound, that includes Mangoes, Oranges, Ovacadoes, Guava's, Pawpaws, Kitaferi etc, till today when you come to Entebbe, in every compound you will see these fruit trees e.g. in**

Manyago, Botanical zone, Manyago, Bugonga, Kinyarwanda, Kiwafu, Kitoro, Lugonjo, Virus, Nakiwogo etc.

*Every Tree Counts!*
